

MacGObAS

Bethune Roundtable Conference Scholarship

MacGObAS is proud to present the Global Surgical Scholar scholarship for the Bethune Roundtable Conference, to support development of global surgical scholars and collaboration in Global Surgery. MacGObAS will award up to three members of each clinical departments (Anesthesia, Obstetrics & Gynecology, and Surgery) to cover the cost of registration to the Bethune Roundtable Conference. Acceptance of an abstract or presentation at the conference is encouraged but not required for application. **Applications are to be submitted to globas@mcmaster.ca by May 12, 2023.** Apply as early as possible as awards are limited and may be accepted/awarded on a rolling basis.

Application Checklist

- Cover Letter (outlining reason you want to attend the conference, how it aligns with your career/education goals, and how you will bring back what you learn to encourage others in Global Surgery)
- Application
- Applicant CV

Applicant Information

Applicant:

Email:

Please indicate status of applicant:

Resident PG Year: Specialty:
Clinical Fellow Specialty:
Faculty Specialty:

Is the applicant from the Global South? If yes, what country:

If you have been accepted for poster or presentation, please provide the information below for consideration in your application.

Title of Publication/Presentation:

Abstract of Manuscript/Presentation (continue on separate page if required):

Terms: By completing this you understand that scholarships are limited, and their award is at the discretion of MacGObAS Executive Committee who will review the applications. You have not received other funding to cover the cost of registration for the conference nor will you seek additional funding for the conference if you are selected for this award. If selected you will follow steps provided by the MacGObAS Coordinator, including providing proof of purchase with receipts.
